From: Mr. Kenneth Patterson  
Chairman of the KEP Trust Board

Subj: Official communications between KEP Trust and NGO Liaison Office

cc. Ms. Edita Tahiri, Minister, Ministry of Public Administration

Dear Mr. Kosumi,

As you are probably aware, differences have surfaced between the Executive Director of KEP, Mr. Murithii Kagai and the Board of Directors. These have been exacerbated by supposed Board governance issues. Please note that the Board is taking measures to come into full compliance with its statutes. The current members of the Board are Ken Patterson, Chairman, Leo MacGillivray, Vice Chairman, Albert Musliu and Michael Conlon. The Board will officially inform you of any additions or deletions to the Board membership. Moreover, please be aware that Mr. Kagai is subject to disciplinary measures and does not represent the best interests of the KEP Trust.

Kindly disregard all communication from the Executive Director or any other KEP managers that has not been validated by the Chairman of the KEP Board.

We hereby authorize Gail Warrander, lawyer and British Citizen, to deliver this letter into your hands.

Best regards,

Kenneth Patterson  
Chairman of the KEP Trust Board
