SUBJECT : CLEOPATRA - TM REGISTRATION (MATTER ID 11736)

Dear Sirs,

We refer to the subject trademark which was registered as a CTM on 18th June 2013 under Number 011550548 through your office.

The Owner of the trademark advised that cigarettes are being produced in Vietnam and that the producers require proof of ownership of the trademark. We have provided them with a copy of the Certificate of Registration as well as an extract from the OHIM website showing that Worldwide Spirits Supply Inc. is the owner of the trademark in Europe. The producers, however, require an official document duly legalised confirming that Worldwide Spirits Supply Inc. is the owner of the trademark CLEOPATRA in Europe.

We, therefore, kindly ask you to advise whether you will be in a position to issue a letter which states and confirms that CLEOPATRA was registered as a CTM in all of the 27 European countries through your office and that Worldwide Spirits Supply Inc. is the trademark owner. The producers are insisting for such a letter to be legalised up to the Vietnamese Embassy and kindly ask you to advise whether you will be able to arrange for same.

We thank you in advance and look forward to hearing from you.

Kind regards,

Nadja Perrot.
